Dear Reijo,

CRO: Mr. Minar (Exec. VP Marketing and Sales, my successor) and Mr. Weihs (Project Manager) of SSF are in Zagreb today, talking to the Ministry and the US Ambassador, briefing the Ambassador for his expected meeting with the President.

WW called, I asked him again about the timing of the BAFO. He said they want to finish by end of next week, but at the latest it will be middle of July, so he confirmed your information. It always depends about whom you ask and if that person is more on the optimistic or pessimistic side.

SLO: WW will go to Canada Friday next week. He is strongly suggesting that he has the Agreement before that and that he can show something to Dr. Z (who will then report the good news to Mr. J. Please make sure I can get the Agreement during my visit.

Thanks and best regards

Wolfgang
